- Title I, Part A Local Methodology due by December 10.

Did You Know?

- ★ ESSA required parent notices are available through a free service called TransACT.
- ★ Materials are now available in Burmese for all registered users of [TransACT](#). (In addition to many other languages.)

ESSA Updates

Not Just for Title I

The [2019 National ESEA Conference](#) (formerly the National Title I Conference) features a wide variety of sessions relevant to all ESEA programs. The National ESEA Conference provides professional development events for individuals working in any ESEA program. Attending the conference offers access to the brightest, most innovative minds in education, along with opportunities to interact with colleagues from all fifty states.

When: January 30-February 2, 2019
Where: Kansas City, MO

Can I Make Fiscal Changes to the Grant During the Grant Period?

An LEA is allowed to move up to 10 percent of one cell to another cell without submitting an amendment for approval. However, the activities must have been previously approved in the application. There can be no programmatic changes without an amendment.

Any monetary amendments over 10 percent or programmatic amendments will need approval from your IDOE Federal Grants Specialist.

Please see page 44 of this [handbook](#) for more details on amendments.
