RE: ISTEP+ Summer 2020 Retest Window Cancelled
DATE: June 3, 2020

The Indiana Department of Education (IDOE) remains engaged in active conversations with state leaders regarding potential adjustments to high school assessments for the 2020-2021 school year.

The Indiana State Board of Education cancelled the ISTEP+ Summer 2020 Retest window on June 3, 2020. This decision supports health and safety concerns and provides time for schools to consider needed instructional support for students related to the impact of COVID-19. Schools will not receive any test materials for this test administration, and all training requirements related to the delivery of the test window are cancelled.

Any updates regarding assessments for School Year 2020-2021 and graduation requirements will be communicated as they become available.
