

BlackBoard User Guide

Welcome to Blackboard!

To log-in: <http://e-inteam.blackboard.com>

Username: Your Personal / School Email

Password: inteam1234

- **To Access Personal Information-** click on your name on the top right corner of your screen.
- **To Log Out-** click on the [Power] button on the top right corner of your screen, next to your name.

Hint: You may change your password by clicking on your name at the Top Right Corner of the screen. Click: [Settings] > [Personal Information]> [Change Password]

NEW FEATURES: DASHBOARD

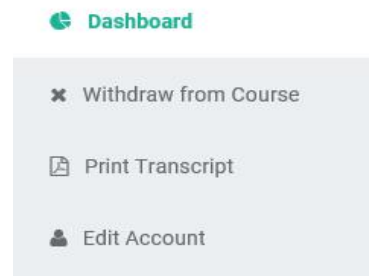

The new Dashboard tab allows you to track course completion, access courses depending on your assigned learning path, **the new way to access Course Certificates**, and a new Learner Transcript!

Home → **Dashboard**

NOTE: Your login information for Dashboard is the same as your Blackboard login information

Dashboard:

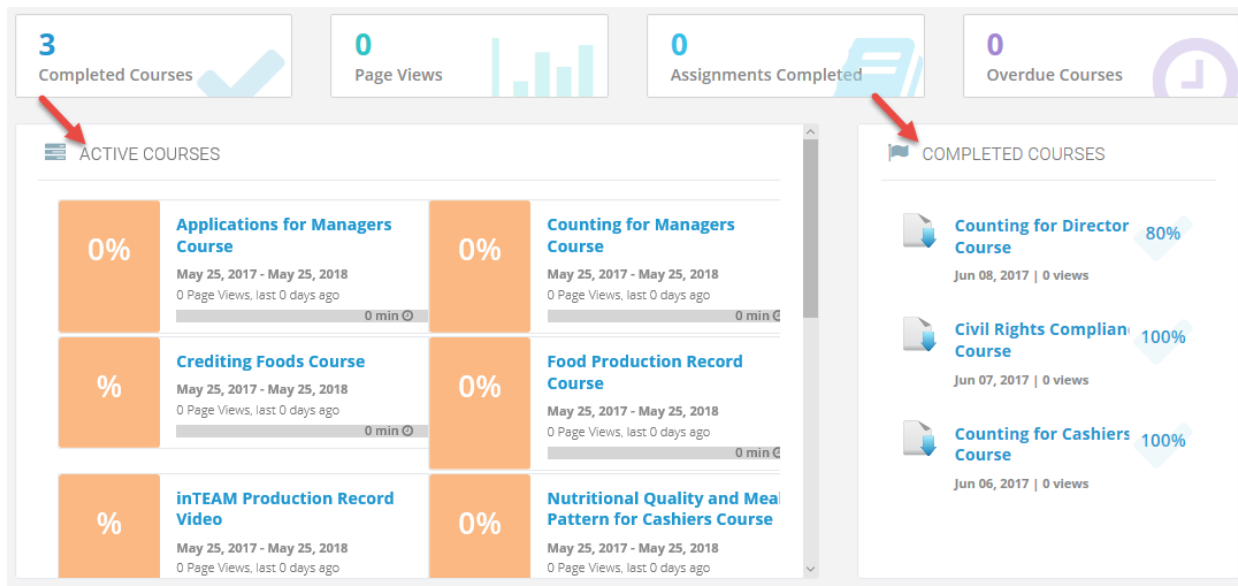

- Select the "Dashboard" tab
- **Withdraw from Course-** You can withdraw from a course by selecting this option
- **Print Transcript-** This options generates a Learner Transcript that meets the USDA required fields for tracking Professional Standards requirements
- **Edit Account-** This option allows you to edit your last & first name, email address, phone number, and password

INTEAM ASSOCIATES, LLC

Dashboard:

- **Active Courses**– These are courses that have not yet been completed
- **Completed Courses**– **Completed Courses will show in this section 1 hour after the course has been completed** and will list the grade earned. Clicking on a completed course will access the **COURSE CERTIFICATE** (note: this is the new and only way to access course certificates) Due to course maintenance, please print certificates immediately as they are earned.

- **Enrollment Status**– This section has a visual representation on the number of courses completed compared to the number of course that have not been started
- **Learning Paths**- This section indicates which learning path you have been assigned, which determines the courses that you are enrolled in
- **Course Activity**- This section tracks the number of times that you have accessed courses in the last 30 days

INTEAM ASSOCIATES, LLC

- **Statistics-** This section has graphs that compares your average grade, completed courses, average days to complete, and access per week compared to other people in the same Affiliation (State) and all inTEAM eLearning users
