

Civil Rights Complaint Procedure

1. The complainant must report the civil rights complaint to the sponsor.
2. The civil rights complaint should be written in the [Civil Rights Complaint Log](#) regardless if the complaint is expressed in writing or verbally.
3. The complainant and/or sponsor are then required to complete the [Civil Rights Complaint Form](#). Use of a Civil Rights compliant form must not be a pre-requisite to an acceptance of a complaint.
4. Include the following in your complaint letter:
 - Your name, address and telephone number.
 - The name, address, and telephone number of your attorney or authorized representative, if you are represented.
 - The basis of your complaint. The basis is what you believe was the motivating factor for the discrimination. For example, you may believe you were treated differently because of your race, color, religion, sex, age, national origin, marital status, sexual orientation, familial/parental status, disability, or because all or a part of an individual's income is derived from a public assistance program. (Not all bases apply to all programs).
 - The date(s) that the incident(s) you are reporting as discrimination occurred.
 - The name of the individual(s) or entity you believe discriminated against you and the agency or recipient that employs that/those individual(s).
 - The issue(s) of your complaint. The issue is a description of what happened, or the action that was taken by the individual(s) or agency that discriminated against you, resulting in some harm. Explain as clearly as possible what happened, why you believe it happened, and how you were discriminated against. Please include how other persons were treated differently from you, if applicable. If you were denied a benefit or service, please provide a copy of the denial letter. If you have documents to support the events you are reporting, provide a copy of the supporting documents.
5. All civil rights complaints, written or verbal, are then forwarded to USDA.

Important

- It is necessary that the information provided be sufficient to determine the identity of the agency or individual towards which the complaint is directed and to indicate the possibility of a violation.
