nutritious meals while minimizing potential exposure to the novel coronavirus (COVID-19). This waiver extends the [Nationwide Waiver to Allow Meal Service Time Flexibility in the National School Lunch Program, School Breakfast Program, and Child and Adult Care Food Program – EXTENSION](#) granted on May 14 that expires on August 31, 2020. This waiver extension applies to the National School Lunch Program, School Breakfast Program, and Child and Adult Care Food Program. This extension does not apply to the Summer Food Service Program or the National School Lunch Program Seamless Summer Option; those programs are covered in [Nationwide Waiver of Meal Service Time Restrictions in the Summer Food Service Program and the National School Lunch Program Seamless Summer Option](#).

Section 2202(a) of the FFCRA permits the Secretary of Agriculture to establish a waiver for all States for the purposes of providing meals under the Child Nutrition Programs, with appropriate safety measures, as determined by the Secretary.

Under Program regulations at 7 CFR 210.10(l), 220.8(l), and 226.20(k), Child Nutrition Program meals must follow meal service time requirements. However, FNS recognizes that for school year 2020-2021, waiving the meal service time requirements will support safer access to nutritious meals.

Therefore, pursuant to the FFCRA authority cited above, FNS waives, for all States, the requirements at 7 CFR 210.10(l) and 220.8(l). State agencies may also adjust the time of meal service, as addressed at 226.20(k), including suspension of meal times as needed in the Child and Adult Care Food Program.

This waiver is effective July 1, 2020, through June 30, 2021.

Consistent with section 2202(a)(2) of the FFCRA, this waiver applies automatically to all States that elect to use it, without further application. If the State agency elects to implement these flexibilities for school year 2020-2021, it must notify its respective FNS Regional Office, which will acknowledge receipt. State agencies should inform local Program operators of the flexibilities provided by this waiver as quickly as possible, and work in partnership with local operators to provide meals to all participants in a safe and accessible manner.

As required by section 2202(d), each State that elects to be subject to this waiver must submit a report to the Secretary no later than 1 year after the date such State received the waiver. The report must include:

- A summary of the use of this waiver by the State agency and local Program operators, and
- A description of whether and how this waiver resulted in improved services to Program participants.

FNS appreciates the exceptional effort of State agencies and local Program operators working to meet the nutritional needs of participants during a challenging time. State agencies should direct questions to the appropriate FNS Regional Office.

Sincerely,

for
