

Lake County

Zip Codes and Preliminary Summer Food Service Sites

This listing represents the Summer Food Service Program (SFSP) sites that will operate in this county this summer. While every attempt has been made to present an accurate list, all sites have not received final approval yet from their sponsoring organizations or the State. Please check back later for more accurate information. This listing represents open enrollment sites that indicate that they will serve one or more of the following: Breakfasts, Lunches, Snacks in the morning or afternoon, and a few sites that offer Suppers. Please check back soon for a more complete listing.

This List is sorted in ZIP CODE order. Find your zip code in large bold numbers on the left, then find sponsors and their sites that operate in that zip code. The Starting Date (First Day of Operations) is listed, as well as the Days and Time of Day, that the meals or snacks are offered. Some sites do not serve both Lunch and Breakfast.
