

7 1/2" CIRCLE TEMPLATE

Instructions for assembly of the Food Group Wall Dragon

1. The Food Group Wall Dragon, constructed in Activities 1 through 8, will be approximately 4' long by 8" high when completed. First cut out the dragon head, tail, and the circular template.
2. Using the circular template, draw a circle on each of a blue, purple, green, red and orange poster boards. Then cut out each of the circles. These circles will be used in Activities 2 through 6.

3. Circles should be added to the dragon head from left to right. Attach the circles to each other in the proper sequence with tape. First the blue (Milk Group), purple (Meat Group), green (Vegetable Group), red (Fruit Group) and orange (Grain Group).
4. Print the name of each food group on its appropriate circle when you add the circle to the dragon.
5. Complete the Food Group Wall Dragon in Activity 8 by attaching the tail to the orange circle.
