To the School Improvement Grant Committee:

On behalf of the Edinburgh Community School Corporation Board of School Trustees, I am writing in support of the School Improvement Grant Fund sought by Edinburgh Community Middle School.

This grant will assist the school in making the necessary changes to raise standardized test scores, provide extended learning for students, and provide ongoing teacher support in their classrooms.

Thank you for considering Edinburgh Community Middle School's grant proposal. If you are in need of any additional information, please do not hesitate to contact me.

Sincerely,
