 Re: Special Education Child Count

Indiana Code 20-43-4-4 provides that the State Board of Education shall monitor changes that occur in the number of students enrolled in programs for children with disabilities and shall make an adjusted count before December 2 and before April 2 of the same school year. The chart below shows the numbers of students, by eligibility category, reported in the December 1, 2015 and April 1, 2016 special education child counts as well as the increase or decrease in the number of students reported in each category.
