

Indicator II

Percent of children with parental consent to evaluate, who were evaluated within 50 days.

Measurement:

- a. # of children for whom parental consent to evaluate was received.
- b. # determined not eligible whose evaluations were completed within 60 days (or State established timeline*).
- c. # determined eligible whose evaluations were completed within 60 days (or State established timeline*).

Account for children included in "a" but not included in "b" or "c". Indicate the range of days beyond the timeline when the evaluation was completed and any reasons for the delays.

Percent = [(b + c) divided by (a)] times 100.

Data Source: DOE-EV July 1 collection

Note: This indicator was removed from the equation for any LEA that did not report a student who was evaluated during 2009 (SY 09-10).

*Indiana's established timeline for evaluations is 50 days.
