## VISUAL ARTS - Creating

### Anchor Standard 1: Generate and conceptualize artistic ideas and work.

**Enduring Understanding:** Creativity and innovative thinking are essential life skills that can be developed.

**Essential Question(s):** What conditions, attitudes, and behaviors support creativity and innovative thinking? What factors prevent or encourage people to take creative risks? How does collaboration expand the creative process?

#### Investigate

**Share materials with others.**

- Begin to identify safe and non-toxic art materials, tools, and equipment.
- Demonstrate safe and proper procedures for using materials, tools, and equipment while making art.
- Demonstrate an understanding of the safe and efficient use of materials, tools, and equipment for a variety of artistic processes.
- When making works of art, utilize care for materials, tools, and equipment in a manner that prevents danger to oneself and others.
- Demonstrate quality craftsmanship through care for and safe use of materials, tools, and equipment.
- Explain environmental implications of conservation, care, and clean-up of art materials, tools, and equipment.
- Demonstrate awareness of ethical responsibility to oneself and others when posting and sharing images and other materials through the Internet, social media, and other communication formats.
- Demonstrate awareness of practices, issues, and ethics of appropriation, fair use, copyright, open source, and creative commons as they apply to creating works of art and design.
- Explain how traditional and non-traditional materials may impact human health and the environment and demonstrate safe handling of materials, tools, and equipment.
- Demonstrate awareness of ethical implications of making and distributing creative work.
- Demonstrate understanding of the importance of balancing freedom and responsibility in the use of images, materials, tools, and equipment in the creation and circulation of creative work.
Enduring Understanding: People create and interact with objects, places, and design that define, shape, enhance, and empower their lives.

**Essential Question(s):** How do artists and designers develop excellence through practice and constructive critique, reflecting on, revising, and refining work over time?

**Enduring Understanding:** Artist and designers develop excellence through practice and constructive critique, reflecting on, revising, and refining work over time.

**Anchor Standard 3: Refine and complete artistic work.**

### Pre K
- Create and tell about art that communicates a story about a familiar place or object.

### Kindergarten
- Create art that represents natural and constructed environments.
- Identify and classify uses of everyday objects through drawings, diagrams, sculptures, or other visual means.
- Repurpose objects to make something new.

### 1st
- Document, identify, describe, and visually document places and/or objects of personal significance.

### 2nd
- Design or redesign objects, places, or systems that meet the identified needs of diverse users.
- Apply visual organizational strategies to design and produce a work of art, design, or media that clearly communicates information or ideas.

### 3rd
- Select, organize, and design images and words to make visually clear and compelling presentations.
- Collaboratively develop a plan for an installation, artwork, art show, or space design that transforms the perception and experience of a particular place.

### 4th
- Create artist statements using art vocabulary to describe personal choices in art-making.
- Revise artwork in progress on the basis of insights gained through peer discussion.

### 5th
- Revise and expand artwork to convey the intended meaning and revise accordingly.
- Identify, describe, and visually document places and/or objects of personal significance.

### 6th

### Anchor Standard 7: Perceive and analyze artistic work

#### Enduring Understanding: Individual aesthetic and empathetic awareness developed through engagement with art can lead to understanding and appreciation of self, others, the natural world, and constructed environments.

#### Essential Question(s): How do life experiences influence the way you relate to art? How does learning about art impact how we perceive the world? What can we learn from our responses to art?

#### Enduring Understanding: Visual imagery influences understanding of and responses to the world.

#### Essential Question(s): What is an image? Where and how do we encounter images in our world? How do images influence our views of the world?

**Enduring Understanding: Visual imagery influences understanding of and responses to the world.**

#### Essential Question(s): What is an image? Where and how do we encounter images in our world? How do images influence our views of the world?

**Perceive**
- Describe what an image represents.
- Compare images that represent the same subject.
- Categorize images based on expressive properties.
- Determine messages communicated by an image.
- Analyze components in visual imagery that convey messages.
- Analyze components in visual imagery that convey messages.
- Identify and analyze cultural associations suggested by visual imagery. Analyze ways that visual components and cultural associations suggested by images influence ideas, emotions, and actions.
- Identify and analyze cultural associations suggested by visual imagery. Analyze ways that visual components and cultural associations suggested by images influence ideas, emotions, and actions.
- Identify and analyze cultural associations suggested by visual imagery. Analyze ways that visual components and cultural associations suggested by images influence ideas, emotions, and actions.
- Compare and contrast contexts and media in which viewers encounter images that influence ideas, emotions, and actions.
- Analyze multiple ways that images influence specific audiences.
- Analyze multiple ways that images influence specific audiences.
- Analyze multiple ways that images influence specific audiences.
- Analyze how one’s understanding of the world is affected by experiencing visual imagery.

**Analyze**
- Explain how the method of display, the location, and the experience of an artwork influence how it is perceived and valued.

- **Analyze**
  - Interpret art by identifying subject matter and describing relevant details.
  - Interpret art by identifying subject matter and describing relevant subject matter and characteristics of form.
  - Interpret art by identifying the mood suggested by a work of art and analyzing relevant subject matter and characteristics of form.
  - Interpret art by referring to contextual information and analyzing relevant subject matter, characteristics of form, and mood.
  - Interpret art by analyzing use of media to create subject matter, characteristics of form, and mood.
  - Interpret art by analyzing characteristics of form and structure, contextual information, subject matter, visual elements, and use of media to identify ideas and mood conveyed.
  - Interpret art by analyzing art-making approaches, the characteristics of form and structure, use of media, art-making approaches, and relevant contextual information to identify ideas and mood conveyed.
  - Interpret an artwork or collection of works, supported by relevant and sufficient evidence found in the work and its various contexts.

### Anchor Standard 9: Apply criteria to evaluate artistic work.
Enduring Understanding: People evaluate art based on various criteria.

Essential Question(s): How does one determine criteria to evaluate a work of art? How and why might criteria vary? How is a personal preference different from an evaluation?

- **Interpret**
  - Select a preferred artwork.
  - Explain reasons for selecting a preferred artwork.
  - Classify artwork based on different reasons for preferences.
  - Use learned art vocabulary to express preferences about artwork.
  - Evaluate an artwork based on given criteria.
  - Apply one set of criteria to evaluate more than one work of art.
  - Appraise the impact of an artist or a group of artists on the beliefs, values, and behaviors of a society.
  - Develop and apply relevant criteria to evaluate a work of art.
  - Compare and explain the difference between an evaluation of an artwork based on personal criteria and an evaluation of an artwork based on a set of established criteria.
  - Create a convincing and logical argument to support an evaluation of art.
  - Establish relevant criteria in order to evaluate a work of art or collection of works.
  - Determine the relevance of criteria used by others to evaluate a work of art or collection of works.
  - Construct evaluations of a work of art or collection of works based on differing sets of criteria.
### Visual Arts - Connecting

**Anchor Standard 10: Synthesize and relate knowledge and personal experiences to make art.**

**Enduring Understanding:** Through art-making, people make meaning by investigating and developing awareness of perceptions, knowledge, and experiences.

**Essential Question(s):** How does engaging in creating art enrich people’s lives? How does making art attune people to their surroundings? How do people contribute to awareness and understanding of their lives and the lives of their communities through art-making?

**Synthesize**
- Explore the world using descriptive and expressive words and art-making.
- Create art that tells a story about a life experience.
- Identify times, places, and reasons by which students make art outside of school.
- Create art about events in home, school, or community life.
- Develop a work of art based on observations of surroundings.
- Create works of art that reflect community and/or cultural traditions.
- Apply formal and conceptual vocabularies of art and design to view surroundings in new ways through art-making.
- Generate a collection of ideas reflecting current interests and concerns that could be investigated in art-making.
- Individually or collaboratively create visual documentation of places and times in which people gather to make and experience art or design in the community.
- Make art collaboratively to reflect on and reinforce positive aspects of group identity.
- Document the process of developing ideas from early stages to fully elaborated ideas.
- Utilize inquiry methods of observation, research, and experimentation to explore unfamiliar subjects through art-making.
- Synthesize knowledge of social, cultural, historical, and personal life with art-making approaches to create meaningful works of art or design.

**Anchor Standard 11: Relate artistic ideas and works with societal, cultural, and historical context to deepen understanding**

**Enduring Understanding:** People develop ideas and understandings of society, culture, and history through their interactions with and analysis of art.

**Essential Question(s):** How does art help us understand the lives of people of different times, places, and cultures? How is art used to impact the views of a society? How does art preserve aspects of life?
