TO: Indiana Secondary School Administrators, School Counselors, & Social Workers
FROM: IDOE Office of Student Services
SUBJECT: “13 Reasons Why” Resources
DATE: May 2, 2017

“13 Reasons Why”, a new series on Netflix is gaining popularity among adolescents. Originally a novel, the series revolves around a girl who takes her life and leaves behind audio recordings for 13 people she says were in some way part of why she committed suicide. This series is raising many questions and concerns about mental health, suicide, and bullying. It is important that schools are equipped with resources and tools to be able to appropriately respond to and support struggling students and those with questions regarding these topics.

- Tools and resources from ASCA, the National Association of School Psychologists (NASP) and the American Foundation for Suicide Prevention (AFSP)
- A Model School Policy on Suicide Prevention -- a combined effort from ASCA, AFSP and NASP -- gives educators and school administrators a comprehensive way to implement suicide prevention policies in their local school or district
