Title I, Part A

LEA Affirmation of Coordination with Head Start

The ESEA, as amended by the Every Student Succeeds Act (ESSA), requires LEAs receiving Title I funds to develop agreements with Head Start and other early childhood providers to increase coordination. The goal of this coordination is to provide higher-quality learning experiences and a more seamless transition to kindergarten.

The following activities must be addressed in a formal agreement between the LEA and Head Start. If feasible, the LEA may also enter into formal agreements with other early childhood programs. Indiana Head Start Grantees can be found here.

Check to indicate that each activity, referred to under Section 1119 of ESSA regarding coordination requirements, has been addressed in a formal agreement.
