

CodeHS Indiana Virtual PD Workshops

In Partnership with the Indiana Department of Education

CodeHS will be conducting multiple 2 day virtual PD workshops throughout the summer of 2020 to prepare new and experienced computer science teachers for the 2020 2021 school year. **The workshops are FREE to all Indiana teachers.**

Virtual Summer PD Workshops Overview

Computer science teachers in Indiana have the opportunity to attend these FREE virtual PD workshops based on their experience and goals. The workshops will be from 10 AM - 3PM EDT and have a specific focus including Cybersecurity, AP CSP, AP CSA, or New CS Teachers.

Teachers who attend will receive:

- 2-Day Virtual Workshop
- FREE Enrollment into one Self-Paced CodeHS Online PD Course with Support
- Certificate of Participation for PGP Points
